Attached is a revised Council agenda for Friday's meeting. Also attached is the State Plan, which we have made some slight edits to it, and the Council Bylaws for review and possible action.

If you want to look at the old bylaws for the Council under the Workforce Investment Act (WIA), they can be found on OklahomaWorks.gov.

If you have not RSVP'd your attendance to me, please do so as soon as possible.

See you on Friday, January 29th.

Thanks,
Linda
